Art Unit: 1712

1. Claims 13-15, 17 and 19-29 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to nonelected inventions, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on August 8, 2005.

2. The response to the election of species set forth on page 6 of the restriction and election of species requirement mailed July 6, 2005 does not contain species of b) reactive liquid polymer and c) reaction product of epoxy resin and reactive liquid polymer. The election of butyl glycidyl ether as reactive liquid polymer b) is improper because butyl glycidyl ether is a reactive diluent (specification, page 15, line 6) within the realm of the non-elected invention of claims 13, 14, 19 and 20. The table on page 18 utilizes an epoxy-terminated butadiene-acrylonitrile liquid rubber.

3. The election of the reaction product of carboxyl-terminated polymer and diglycidyl ether is not sufficiently detailed in the absence of indentifications of the particular species of carboxyl-terminated polymer and diglycidyl ether. The table on page 18 employs Epon 58006 which is an adduct of a carboxyl-terminated butadiene-acrylonitrile copolymer reacted with a diglycidyl ether of bisphenol A according to page 14, lines 24-27.

4. The election of the diglycidyl ether of a bisphenol for epoxy resin a) is proper.

Art Unit: 1712

The reply to this requirement to be complete must include an election of the species of components b) and c) to be examined even though the requirement be traversed (37 CFR 1.143).

The reply filed on August 8, 2005 is not fully responsive to the prior restriction and election of species requirement for the reasons espoused hereinabove (37 CFR 1.111). Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
